OMNIA'S STORY

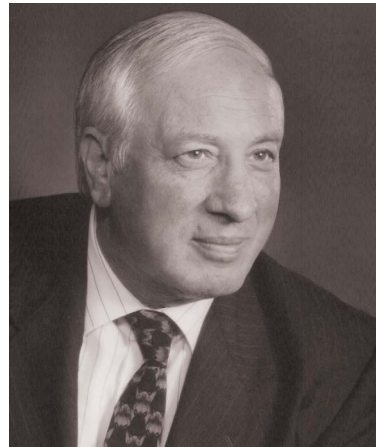

An American dream began when two friends had a passion for leather and a love for European styled furniture.

Today, thirty-five years later, Omnia offers a comprehensive breadth of styles, leathers, and options unmatched in our industry, made right here at home! We are immensely grateful for the long-term relationships we have formed over the years.

“We look forward to continuing to grow our Omnia family.”

SAL ZOLFERINO

EMILIO NASTRI

Omnia is all about endless possibilities for the consumer to create something uniquely their own. Our design library offers every style imaginable in all shapes & sizes. Choose from hundreds of 100% top grain leathers, nubucks, suedes, and luxury fabrics.

SIMPLIFIED & REFINED

SOFTLY MODERN

This collection marries contemporary designs with timeless elegance, creating pieces that are refined with a refreshing aesthetic. The Duke's streamlined silhouette and its complementary slipper chair create a conversation piece for any room.

DESIGN

NEWPORT

Tufting details on the back and elegant bench seat style give the Omnia Newport just the right amount of flair.

BRYNN

A modern design for luxurious living spaces, the Brynn features a low-profile silhouette with generous track arms and deep-seated comfort.

TAILORING

RELAX TO THE MAX

TREND-RIGHT

This collection of three perfectly scaled track arms, 3', 5' & 8' forms the foundation of today's design business. These classic arms incorporate a perfect blend of architectural design with simplistic lines, resonating with today's customer on every level. Finding the perfect leather for this classic piece is easy with over 200 choices in our fully top grain assortment. Create that warm, cozy room with the perfect size piece that's right for you.

**“The home should be the
treasure chest of living.”**
— Le Corbusier

COMFORT

ON THE MOVE

Motion furniture is the fastest growing segment of the home furniture industry. As our lifestyles continue to change we are looking to relax, recline and enjoy each and every moment we are home with our families or just that giant screen TV. These styles offer superior comfort controls that allow you to get into that perfect position.

RESEARCH

JETT

The design aesthetic of our Jett Collection conjures relaxation at first sight. The Ultra-Gravity power reclining mechanism and power tilt headrest are standard features which allow for an infinite range of comfort adjustments with the touch of a button.

COMFORT SOLUTIONS

A well-chosen sofa sets the tone for your living space. With Omnia Leather, you can create beautiful and functional seating tailored to your lifestyle. Choose from 8 arm styles, 3 back options, and 3 seat widths, all featuring premium memory gel tops. Available in 100% top grain leathers or fabrics, the final piece will be uniquely yours. Customize further with your choice of leg styles in multiple finishes to perfectly complement your decor.

ENGINEERING

FUNCTION

Bergamo is the epitome of luxury motion furniture for today's particular homeowner. These styles combine *advanced engineering* with sleek modern european design to offer outrageous comfort and functionality. With a choice of three different seat widths and a plethora of sku options, this collection can fill any size room to host those family events.

BERGAMO

CHOICE

HEIRLOOM

Just as it states in the name of this collection... these pieces are timeless. Our engineers create each piece with design, integrity and comfort at top of mind. These generations of timeless elements will make a unique and lasting addition to your home.

DRESSED TO THRILL

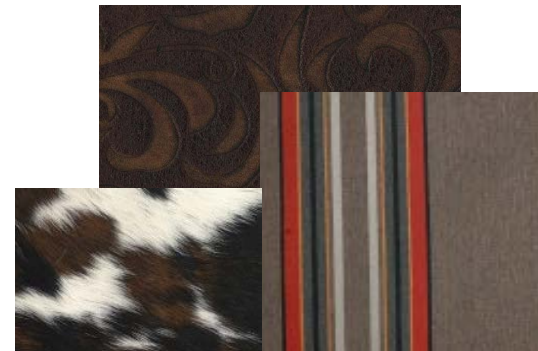

Dressed to Thrill gives you the ability to offer your customer a choice of unique tooled leathers and combine them with our broad collection of Fabrics, Suedes, and Nubucks. Your one-of-a-kind combination, coupled with timeless designs allows you to create that piece that your family will talk about for years to come.

This collection encourages the use of tooled leathers to create your own unique pieces.
